

Hope for the Journey Home

Due to COVID-19, we are currently sheltering a smaller number of families and will not be able to do as much bulk purchasing. During this transition time, you can help us lower our grocery and supply bills by donating items from the list below. Contactless drop-offs can be made by leaving items on the bench outside of the shelter front door. Please **call the house phone at 651-789-3195 when dropping off items** so that staff or a volunteer can take your donation inside as soon as possible.

You may donate individually or check with your church's Volunteer Coordinator if a mass drop-off is happening from your congregation. You can also order from Amazon, Target, etc. and have items mailed directly to HJH.

If you have any questions, please contact Trish Brokman (pbrokman@guardian-angels.org) or Beth Mueller (emueller@guardian-angels.org).
