

SISTER PARISH DELEGATION VISIT

September 10 - 23

At the heart of our decades-long relationship with our sisters and brothers in Teustepe, Boaco, Nicaragua is a sharing of our lives. In the coming days, we all have the chance to share fellowship with two leaders from the Teustepe community. We can make our world a bit smaller by bridging the distance between us. Following is a list of opportunities so that you can choose what fits for you and pass the word along to others you know. Join us!

Our delegation will create some special treats for the Friday Chili Cookoff, share their musical gifts at the Saturday Talent Show and be at a table waiting to meet you near the food tent on Saturday afternoon and Sunday.
